### Latest Match Reports

05/10 T.C.F.C U13s Girls v Accrington Girls AGSA U13s in the North Valleys Girls League

**Final Score : 4 - 6**

**TCFC U13 Girls 4 - 6 AGSA U13 Girls** A glorious day for TCFC's second game of the season, and both teams delivered. TCFC looked a different team to the one that showed up for the first fixture, some slick passing creating some excellent chances, Sophie, Laura and Saffy all had the opportunity to score in the first half. The first half was dominated by TCFC, Saffy gaining her Hat-trick by the end of the half, and Sophie missed two great chances after some great skill to put her in a position to beat the keeper. Both Laura and Sophie were causing havoc down the flanks with Saffy always a threat for the opposition to worry about! Laura Impett won the GOM award, a demonstration of fitness and superb ability to go past players using her great pace. Dayna had another cracking game and Lauren played well just in front of the TCFC back four. However TCFC have some work to do, the ever reliant defence is leaking goals for fun and if TCFC had a fantastic first half, then AGSA were on fire in the second. Five goals in the second half for AGSA, who changed the way this match was going with some quality finishing.

### Latest Match Reports

05/10 T.C.F.C U12s v BJFF U12s in the Blackpool & District League

**Final Score : 2 - 3**

Well to the whole team, you really had a good BJFF rattled. You did us all proud and it was a great game to watch, some of the football you played was breath taking and the way you came back from 0-1 down showed great character. Mason had a great game in the Thornton goal and the defensive 4 of Scott, Tim, Sam and Ross were solid. Chris had a great game in front of them and Conah, Zac, Liam and Josh dominated the midfield. Elliot gave the back 4 of BJ a problem everytime he had the ball. After going down a great ball saw Conah go 1 on 1 with the BJ keeper and he didn'tdisapoint as he finished well 1-1. Mason made a couple of great saves before lauching a great ball that Elliyo got on the end of to put us 1-2 up. We had a number of chances to kill the game but then injuries started to affect the team Ethan and Dale were great subs and Ethan did a great job on the wing and Dale got stuck in, in the middle of the park. We conceded 2 late goals, but things like that happen in football, Everybody I have spoke to thought you were the better team on the day. Man of the match was the superb Sam Ruddlesdin.

Thornton won the toss and immediately charged forward with force, backed up by their defence of Jack P and Ben. Thornton settled and began to play their outstanding football. Jack W, Luke and Jonathan all linked up well and began to pass the ball around nicely. Ethan, playing up front, made his runs with his team mates supporting all the time. The game began to settle with both teams attacking and defending. Fleetwood tried to pile on the pressure but the phenomenal defence of Jack P and Ben, who can only be compared to Ferdinand and Vidic, would not let anything past them. They played the ball out of defence calmly and coolly each time, with the pass finding one of their team mates, who then went on the attack.

Thornton playing the far better football, pressured with shots from Luke, Ethan and Jonathan all being saved by the Fleetwood goalie. However, at the other end of the pitch Alex was also keeping the scores level after being tested on a couple occasions but rising to the challenge every time, with some spectacular saves.

Half Time 0-0

The second half began much as the first half had finished with both teams pressing forward at every opportunity. Once again the football from this newly formed team was some of the best ever witnessed at Thornton. However, it was Fleetwood who took the lead. Not disheartened, Thornton attacked the Fleetwood defence with Jack W making a storming run down the wing and crossing the ball, only for Ethan to see his shot go wide. Jack M and Oliver were introduced into the game in order to try and give Thornton their much deserved equaliser. Another ball played out from the back by Jack P found Luke who in turn laid the ball off to Jonathan, only for him to see his shot fumbled on the line by the Fleetwood goalkeeper. Fleetwood were looking to find a second goal to try and kill the game off, however it was not to come after a last-ditch goal line clearance from Jack P kept the hope of a Thornton equaliser alive. Thornton continued to pile the pressure on Fleetwood, but the final whistle came too soon.

Full Time 0-1

Man of the match was awarded to Jack Porter for an outstanding display in the heart of defensive! A special mention must be given to the whole team for their magnificent display of quality passing football that started with Alex in goals through to Ethan up front! It was a pleasure to watch and more of the same next week PLEASE.

### Latest Match Reports

#### 04/10 T.C.F.C U9s White v Fleetwood Town U9s B Team in the Poulton & District League

**Final Score : 2 - 3**

<?xml:namespace prefix = o ns = "urn:schemas-microsoft-com:office:office" />

After a thrilling first game, Thornton's spirits weren't dampened by the unlucky defeat for the red team, and they were eager to get the second game of this local derby underway! The line up was slightly different this week with Hazza up front and Liam moving to the left of midfield. Thornton started the brighter with Kieran, Harrison, Liam and Harry all linking up immediately to put the pressure on the Fleetwood defence. It was Thornton who broke the deadlock with a storming run from Kieran down the right wing who then crossed the ball to Hazza and in true Tevez style he slotted the ball past the Fleetwood goalie to score his first of the season and Thornton's first of the day! Fleetwood immediately pressed for an equaliser but were stopped in their tracks by the formidable duo of James and James. Thornton continued to push forward in numbers but a quick break from Fleetwood caught Thornton out and they levelled the score. Thornton charged forward again with Harrsion, Liam and Kieran all having shots on goal.

#### Half Time 1-1

The second half began and Thornton came out all guns blazing with every player fighting for the ball. Fleetwood clearing their lines well were playing on the break but Teo was commanding his area well. James Bethel won the ball in defence and passed the ball to Harrison who turned his man and put the ball into the path of Hazza, for him to finish off and give Thornton the lead for the second time. Once again Fleetwood attacked but Thornton defended on mass. Teo was put to the test on several occasions, however Fleetwood shot and the goal line clearance from James Almond couldn't stop the ball from finding the back of the net. Thornton threw Euan and Kurtis into the action in a last attempt to get Thornton the winner, but Fleetwood continued to shoot on sight and one eventually found its way past the hardworking Teo. This was a real blow to a Thornton team who had worked so hard and played some lovely football.

#### Full Time 2-3

Man of the match was awarded to Teo for a fantastic performance in goals. Once again praise must be given to every player as they worked hard for each other and their team spirit is apparent. Also, a special mention to Harry who scored two goals and nearly managed to get his hat-trick, next week maybe!

### Latest Match Reports

#### 04/10 Garstang Reserves v T.C.F.C Seniors Reserves in the West Lancashire League

**Final Score : 3 - 2**

Thornton Res. came back down to earth with a bang, after 2 great away results they thought they could simply turn up and get the result required. With Jono, Bret and Nathan moving up to the firsts, Steve Barnes and Sean Tonge injured, Thornton were forced to make changes; In came Matty Smith, Kozy and Adam, Bondy and Danny returned from the firsts to get some minutes under their belts.

The 1st half was frustrating to watch, after 10 mins the management knew the game was there for the taking and if Thornton only raised their game by 10%, another away win would be ours, T.C.F.C were on top but just going through the motions. Thornton took the lead with some neat football involving the impressive Ben Moss and Danny Scott which led to a shot come cross from the left from Chris Bond who had an impressive 1st half. Instead of kicking on from this T.C.F.C carried on going through the motions and in the last 2 mins of the half conceded from a corner due to no one taking control and picking men up, another sloppy goal!. After the half time team talk which was basically about getting that extra 10%, T.C.F.C fell behind, a long ball which the defence had every chance to a head clear wasn't dealt with, this lead to a foul on the edge of the area, the resulting free kick was smashed home with a great strike. The game was still there for the taking and after 20 mins, T.C.F.C equalised from a corner and a great header from Adam. Could T.C.F.C now realise the game was theirs if they wanted it? NO! An identical error to Garstang's 2nd goal in the last 15 mins let them in for their 3rd. Another 3 points gone.

The management of the Res. are trying to run the side as a schooling ground for the 1sts to show them what is expected so if and when they get their chance they know what it's all about. One requirement is you give at least 100%, that's not just to get in the 1st team but to get in the Res. and when representing THORNTON CLEVELEYS FOOTBALL CLUB. Another is to realise that mistakes get punished. On a plus note Adam Challoner who on is 1st start for a while was impressive throughout, his only fault was that he was a bit too keen, but what a problem to have, also Ben and Leon well done.
