12/10 Penwortham Girls U13s v T.C.F.C U13s Girls in the North Valleys Girls League

Final Score : 1 - 6

Penwortham U13 Girls 1 - 6 TCFC U13 Girls After two defeats in the first two games TCFC needed to get some points on the board. Its a shame TCFC were unable to play any friendlies prior to this season because as each game passes the improvement is immense. Today was TCFC as we know them, adventurous, pacey, intelligent passing and some seriously classy finishing to boot! However it was Penwortham who opened the scoring inside 5 minutes with a great solo effort from the striker beating two defenders before applying a super finish. Then TCFC kicked into gear and within 5 minutes had equalised with a really well worked goal after passes from Saffy, Sophie, Dayna then finished clinically by Saffy. Next, Saffy again with another great move with Laura Impett beating a couple of players before playing the ball square to Danielle, she had great vision to play the ball between defenders for Saffy to run on to and apply a very cool finish. Saffy again with her Hat Trick, clean through from just past half way, keeper comes out to meet her, ball ends up in net, sounds predictable I know but this is quality finishing! Start of the second half and Sophie Kohl goes past defenders again, as she has all game, into the danger area and gets flattened, penalty! Well of course its the cool Saffy Quilligan who has always taken the TCFC penalties and this time the keeper pulled off a super save only to see Saffy first to the rebound and smash it home! Next came the goal of the game, although there were two contenders, balled was played wide to Laura, she flew down the line beating anyone who came near, right to the bye line again, she sent over a fantastic cross to the far post where Sophie was sprinting to get there, get there she did and smashed the ball in off the post, a superb move. Then a freekick halfway into the Penwortham half, Danielle Jarvis sent in a marvellous cross, Anna Jackson leapt above all to smash in a glorious header. The TCFC defence looked more settled and Sammy in net was left with very little to do, Dayna worked very hard in midfield and is coming on very quickly. Lauren looked superb in midfield and won every header and tackle she went for, this was a super team effort, the last goal again went to Saffy who was fed another super pass by Anna down the left, she cut inside the defender and placed the ball into the bottom right of the net. Sophie Kohl won the GOM award for her superb dribbling past players time after time, along with a classy goal!!

12/10 BJFF U13s v T.C.F.C U13s in the Blackpool & District League

Final Score : 3 - 4

This was a tough game for us today we dug deep to get this win which took us above bj in the league. Bj,s keeper was my man of the man coached the right way he could become a very good keeper. We took an early lead when Adz nipped in before the keeper to head in from close range bj got on to level terms from a corner. Ash however restored our lead with a great finish just before halftime. The players were told at half time they deserved to be in front but we have to fight for every ball to get a result so it proved to be. We changed the formation slightly and it payed off with Adz getting 2 more goals for us we could have scored more but the their keeper kept us out. We now are a hard team too beat this season we are mentally and more physically stronger than last season. Kyle Aspindle was man of the match thats the best game he has played in is long career at Thornton it was an old fashioned type of a centre half display he came off injured we hope it is not too serious as his partnership and understanding with his fellow defenders is key to our success this season.

The boys had seen their fellow team mates fall to an unjust defeat and were ready for the game ahead. The Vimto laces were distributed, thanks to the Porter family, and the crowd eagerly awaited the game! Thornton immediately attacked the St Annes defence and a quick succession of outstanding Thornton corners from Jonathan could not find the head of a fellow team mate. Jack W, known as Wacko by the crowd, proved to be a handful on the left of midfield, causing all sorts of problems for the St Annes defence; he laid the ball into the path of Luke who saw his shot go wide of goal. Ben was proving to be a rock in the heart of defence allowing his defensive partner, Jack P, to push forward. Thornton continued to turn the screw when Jack P won the ball inside the centre circle, took a touch and, in true Scholsey style, fired the ball home into the top left hand corner of the goal! The crowd went wild with excitement and the St Annes crowd were silenced for the first time. Confidence was high and Thornton began to shoot on sight with Jonathan, Wacko and Luke shooting, only for each attempt to be saved by the St Annes goalkeeper. However, on the odd occasions that St Annes breached the Thornton defence, the fine stature of Alex was commanding his area well!

Half Time 0-1

Fully refreshed, Thornton went out commanding this seven aside pitch. Jack P, who was in outstanding form, nearly repeated his first half performance by shooting only this time Ethan found the follow up to give Thornton a much deserved 2-0 lead. St Annes came straight back at Thornton and won a corner, only to be met with a solid headed clearance from Jonathan (St-Ledger) Cardwell who cleared the ball up to near the half way line. Jack M and Oliver came on to assist their team to victory. However, Thornton wanted this game to never end. The formidable left footed duo of Luke and Wacko Jacko came close on several occasions but it was Jonathan who came closest to a third for Thornton after his shot skimmed the top of the cross bar. This team has a great team spirit and each player trusts one another 100 percent which is a rarity at this age.

Full Time 0-2

Man of the match was awarded to Luke who worked tirelessly in the central midfield role. A special mention to Ben, who had an outstanding performance in defence and to Alex, who, when put to the test, was always alert to the danger! Well done

11/10 St Annes U9s B Team v T.C.F.C U9s White in the Poulton & District League

Final Score : 1 - 0

<?xml:namespace prefix = o ns = "urn:schemas-microsoft-com:office:office" />

The wind was still and the crowd were tense and football, football, football was on the menu! The game began with St Annes immediately attacking the Thornton goal, only to be denied by the formidable presence of Teo Beaume in goals! The midfield of Liam, Harrison and Kieran began to settle and feed Hazza through at every opportunity they could. St Annes tried to play the long ball up field but each time it was met with the dominating presence of James A and James B! Not panicking under pressure, the defence played the ball out from the back and looked for a Thornton red shirt every time. The first half was evenly matched with both keepers being tested on more than one occasion. Shots from Hazza, Liam, Harrison and Kieran were all saved by the St Annes goalkeeper. However, Thornton were dealt a cruel and unjust blow before half time when Hazza's shot was saved and St Annes immediately counter attacked and caught Thornton out and scored right before the half time whistle.

Half Time 1-0

The second half came and Thornton instantly attacked the St Annes goal. The introduction of Euan provided a fresh pair of legs on the wing and his shot was forced wide by the goalie. Another superb corner by Kieran could not find a red shirt and was cleared by the St Annes defence. The game was end to end with both teams attacking and defending on mass; however St Annes somehow seemed to have an extra man advantage that enabled them to defend with confidence! Kurtis was thrown into the attack and nearly set himself up for an equaliser. Thornton dug deep but their efforts were in vain; Kieran, Harrison and Euan all having shots on target but were just unable to burst the back of the net on this occasion.

Full Time 1-0

Man of the match was awarded to James Almond for a commanding performance in the heart of defence. Thornton were unlucky to lose this game and will eagerly await the reverse of this fixture! Well done boys.
